**Saturday
November 12, 2011
9:30-3:30PM
008 Kemeny Hall**

FUN-FILLED DAY OF MATHEMATICS
FOR MIDDLE AND HIGH SCHOOL GIRLS AND TEACHERS
WITH HANDS-ON WORKSHOPS, MATH GAMES,
PANEL DISCUSSIONS AND LECTURES

Free and Fun! Continental breakfast and lunch provided.

"Many who have never had occasion to learn what mathematics is confuse it with arithmetic, and consider it a dry and arid science. In reality, however, it is the science which demands the utmost imagination [which is more than just making things up] It seems to me that the poet must see what others do not see, must look deeper than others look. And the mathematician must do the same thing." – Sonia Kovalevsky.

To register: <http://www.math.dartmouth.edu/~orellana/SKMathDay.html>

Sponsored by the Department of Mathematics, Dartmouth College and the Association for Women in Mathematics through a grant from the National Science Foundation
